OVERVIEW

Detail-oriented Frontend Developer with experience building responsive web applications, admin dashboards, and user-centric interfaces from Figma designs. Skilled in React, TypeScript, Tailwind CSS, and API integration. Strong background in customer support, e-commerce operations, and technical troubleshooting, with a reputation for clear communication, reliability, and calm problem-solving under pressure.

WORK EXPERIENCE

AUGUST 2025 – JANUARY 2026

FRONTEND DEVELOPER | TECTON STUDIO

- Implemented admin dashboard interfaces from Figma designs, ensuring pixel-accurate UI and consistent design systems.
- Built and integrated a dynamic form builder, enabling flexible form creation and validation.
- Implemented a real-time chat feature to support internal or customer communication workflows.
- Integrated and consumed APIs to ensure efficient data flow and responsive application behavior.
- Improved UI consistency, usability, and overall user experience across admin modules.

DECEMBER 2024 – DECEMBER 2025

FRONTEND DEVELOPER (VOLUNTEER) | CORPERATE SETUP

- Implemented UI designs to enhance user experience and interface consistency.
- Redesigned key UI components for improved functionality and aesthetics.
- Integrated and consumed APIs to ensure seamless data flow and application performance.

OCTOBER 2024 – DECEMBER 2024

FRONTEND DEVELOPER (FREELANCE) | SHARESHOPSHIP

- Developed responsive web applications using React, Typescript and Tailwind.
- Collaborated with designers and backend developers to implement dynamic UI components.
- Integrated APIs and third-party services to enhance web functionality.

NOVEMBER 2024 - JANUARY 2025

FRONTEND DEVELOPER (VOLUNTEER) |CROWN REFORMED

- Independently executed full migration from WordPress to React.js, modernizing the codebase and improving site performance without external dependencies
 - Redesigned and implemented custom UI from scratch using Tailwind css, enhancing visual coherence and user experience across desktop and mobile devices
- Developed and integrated real-time video communication functionality using WebSockets, implementing secure bidirectional connections and optimizing for low-latency streaming across browsers.

DECEMBER 2023 - JUNE 2024

ECOMMERCE WEBSITE MANAGER | YAYALAROUGE

- Managed and updated product catalogs, ensuring data accuracy and organization.
- Established and maintained customer email communication, enhancing engagement.
- Coordinated with different teams to ensure timely website updates and efficient workflow.

JUNE 2017 – AUGUST 2018

BETH MANUEL COMPUTER: NETWORK AND CCTV INSTALLATION TECHNICIAN

- Procured, configured, and deployed laptops to streamline employee on-boarding.
- Troubleshoot hardware and software issues across desktops, laptops, and network devices, providing remote support via TeamViewer, AnyDesk, and Microsoft Remote Desktop.
- Installed and configured network infrastructure (routers, switches, access points) and extended LAN networks by running cables and terminating connections.
- Set up CCTV systems including cameras, DVRs, and monitoring software.
- Conducted site surveys and collaborated with clients and contractors to ensure successful project delivery.
